## SUPPLIES YOU'LL NEED

Map

Bingo Card

Pen, pencil, or stamp

## DIRECTIONS

**STEP 1:** Review your Bingo Card. Take a few minutes to look at all of the items listed on your Bingo Card. Ask an adult if you are unclear on any of the items. With adult permission, you can also go online and look up images of each item.

**STEP 2:** Find your marker! Choose a pen, pencil, or stamp to mark your Bingo game board.

**STEP 3:** Here's how to play – The next time you are on a road trip, get out your Bingo card. Look for items from the road that are on your card, such as a field of corn, or horses in a pasture. When you see them, call them out loudly and mark your board. The first person to get 5 spaces in a row (up and down, across, or diagonal) wins. You can even play this by yourself!

**STEP 4:** Have fun playing Bingo and learning about agriculture and your surrounding environment.

## GETTING READY

This is an activity that is fun to do at home with your family. To get ready, have an adult help you find a map of the area you will be traveling. This may be a local city map, a state map, or even a country map if you are going on a long drive. Ask your family if it is ok for you to draw on this map. You'll want to put a star near every interesting point.
